

The Swag Bag Project Helping Her. Period.

FACTS: Lack of access to feminine hygiene products affects hundreds of our middle and high school aged girls from low income/poverty level families. These same girls can miss several days of school in a month because they do not have what they need — affecting their education, dropping out of classes, etc. Every girl has the right to experience her period with dignity, necessities and understanding.

What's The Swag Bag Project?

Girls in need of feminine product can go to the Nurses Office at school. Each girl will receive a Swag Bag*. Each girl can be resupplied on pads every month.

***Swag Bag Contents:**

15 pads | 1 pair of undies | 1 small bag (for future use in refills) | Piece of Candy | Flyer with health links

How Much Does This Cost?

**1 Swag Bag = \$4.60 + 11 months pads
\$23.10 = \$27.70 to support one girl for 1 year!**

Nothing But The Truth is a faith based non-profit that serves its' community and believes that our local schools are the heartbeat of our community and when they speak, we should listen. They are now speaking. Too many middle & high school girls are missing classes because they don't have the basic needs for their monthly periods.

The Swag Bag Project is a community ministry partnership providing access to feminine hygiene products and health information to middle and high school girls living in poverty.

This should not be! We are listening and we ask you to join us in The Swag Bag Project. Help us love our girls. Period.

How Can You Help?

**Support 1 girl x 1 year
Support 10 girls x 1 year
Support a school in need
Share the need**
