

Nothing but the Truth Newsletter

SEPT/OCT 2011

MISSION STATEMENT:

Nothing but the Truth exists to meet others where they are and help them build a real and relevant relationship with Jesus Christ.

Welcome to **Nothing but the Truth!** We are a ministry committed to meeting people where they are. We do this in real ways. We meet real needs. Some are more obvious than others. So whether we are giving food to a young student for the weekend, or sharing a

photo of a beloved pooch, our goal is simple: move others one step closer to Jesus. If you have a desire to serve in this way, we would be honored. To the right of this article, you will see my ministry partner. We pray you will be blessed as she shares Today's Truth from I John.

By His Truth,
Scarlett
